APPENDIX

2. NOTICE OF MOTION

a. Notice of Motion- GUIDANCE AND COUNSELLING IN SCHOOLS

Aware that Corona Virus has claimed more than 2,330,000 lives worldwide with confirmed cases being over 106,000,000; **Noting with concern** that the pandemic occasioned the closure of all schools and colleges nationwide on 15th March 2020 thus disrupting nearly 17million learners country wide; **Bearing in mind that** the closure of institutions not only affected learners and teachers but it also brought forth numerous economic and social issues, including interrupted and loss of learning, education exclusion, homelessness, nutrition and economic crisis, childcare challenges and increase in teenage pregnancy cases, financial cost implication to households, and sexual exploitation among others; **Further noting that** the effects have been more severe for the underprivileged children and their households from the urban poor communities; **Deeply concerned** by the increase in burning of schools after schools reopened in January 2021; **Appreciating the** effect of guidance and counselling to pupils at a tender age and as they grow up which includes but not limited to addressing the needs identified and identifying the pupils'/students' individual and educational needs and psychological and physical abilities and environmental impact and their functioning in any institution; This Assembly **strongly urges** the County Executive in collaboration with the National Government to ensure guidance and counselling is encouraged for all learners across the County to curb mental health issues that most learners are suffering from without their knowledge.

(Hon. Veronica Ikunyua, MCA Representing Nanyuki Ward)
