8* MOTION- EQUIPPING AND SECURING OF FLoCA PROJECT HOLES TO PREVENT ACCIDENTS

Honorable Speaker, I beg to move the following the motion;

THAT, Aware that the County Government, through the Financing Locally Led Climate Action (FLoCA) program, has initiated several community projects involving construction and excavation works; **Further aware that** many FLoCA project sites have open or uncovered holes which pose serious safety risks to residents, especially children and livestock; **Noting that** ensuring proper safety measures at all project sites is essential to protect lives and maintain public trust in government programs; This house **urges** the County Government to;

1. Ensure that all FLoCA project holes are properly covered, fenced, or equipped with safety barriers to prevent accidents.
2. Conduct regular inspections to ensure compliance with safety standards.
3. Sensitize local communities on safety around ongoing project sites.

(Hon. Stephen Ndiritu, Member of County Assembly representing Thingithu Ward)
