8* MOTION- DEVELOP A POLICY TO ALLOCATE THE MANAGEMENT OF PUBLIC TOILETS TO ORGANIZED GROUPS OF YOUTH, WOMEN AND PERSONS WITH DISABILITIES

Honorable Speaker, I beg to move the following motion;

THAT, Aware that Article 56 of the Constitution of Kenya obligates the State to put in place affirmative action programs designed to ensure that youth, women, and persons with disabilities are given opportunities to participate in economic development; **Further aware that** public toilets are essential sanitation facilities that contribute to public health and environmental cleanliness, especially in urban centers, markets, and other public spaces; **Cognizant that** the management of public toilets has the potential to generate income and create employment opportunities if well-structured and transparently managed; **Noting that** entrusting the management of these facilities to youth, women, and PWDs will promote inclusivity, empowerment, and improve service delivery; **Deeply concerned that** currently, some public toilets are mismanaged, poorly maintained, and do not generate meaningful benefits to the local community; this house **urges** the County Government to:

1. Develop and implement a policy to allocate the management of public toilets to organized groups of youth, women, and persons with disabilities;

2. Ensure transparency and fairness in the allocation process through public participation and stakeholder engagement;
3. Provide capacity building, training, and initial support to beneficiary groups to ensure efficient and sustainable management;
4. Regularly monitor and evaluate the performance of the groups managing the toilets to ensure high standards of hygiene and service delivery;
5. Prioritize affirmative action in the management of upcoming and existing public toilet facilities within the County.

(Hon. Nicholas Mwaniki, Member of County Assembly Representing Tigithi Ward)
