Mr. Speaker Sir, I beg to move the following motion;

Noting that section 36 of the County Government Act, 2012 stipulates that County Executive Committee shall supervise the administration and delivery of services in the county and all decentralised units and agencies in the county; **Further noting that** section 42 (2) of the County Government Act, 2012 provides that the constitution of a new executive committee after an election under subsection (1) shall be finalized within twenty-one days of the swearing in of the members of the county assembly; **Aware that** Section 45 provides for appointment of Chief Officers who shall be the authorized officers in respect of exercise of delegated power and chief accounting officer of the respective county department pursuant to Public Finance Management Act, 2012; **Further aware that** Article 226(2) stipulates that the accounting officer of a county public entity is accountable to the County Assembly for its financial management;

...../8*

Concerned that Laikipia County Government, since the Governor took an oath of affirmation into office in August, 2017 does not have three substantive County Executive Committee Members responsible for County Administration and Public Service, Education, Gender, Youth and Sports and Medical Services and Public Health and does not have substantive Chief Officers in all the departments; this House **urges** the Office of the Governor to forward the names of the said County Executive Committee Members within a period of fourteen days and Chief Officers within a period of 30 days in order to ensure accountability of public resources.
