8* MOTION- RECRUITMENT OF TRAINED TEACHERS

Mr. Speaker Sir, I beg to move the following motion;

That, Noting that Part 2 of the Fourth Schedule of the Constitution of Kenya 2010, stipulates that pre-primary education, village polytechnics, home craft centres and childcare facilities is a function of the County Government; **Further noting that** Early childhood education is critical in ensuring a good foundation for child development; **Aware that** despite the growing importance of Early Childhood Education, there are number of challenges that have continued to pull down its effective implementation, these include inadequate teaching and learning resources, socio-economic factor, High Teacher /Child Ratio with Poor Remunerations and financial constraint; this House **urges** the County Government to:

1. Recruit trained ECD teachers with clear Job Description and Terms of Service;
2. Undertake County wide ECD analysis based on Teacher/Pupil ratio, Classroom/Pupil ratio, existence of PP1 and PP2 in all the centres as per the requirement of National Pre-Primary Policy and the status of the classrooms;

3. Develop programs that will improve the learning environment of ECD Centres like the free food programme;
4. Partner with other stakeholders to upgrade physical facilities and provide instructional and recreational facilities in the public pre-schools.
