8* MOTION- DEMARCATION OF KANDUTURA PLOTS

Honorable Speaker, I beg to move the following motion;

Noting that land is critical to the economic, social, and cultural development of Kenya; **Aware that** it's a government policy to regularize ownership of land where people have lived for longer years without ownership documents; **Further aware that** section 12 of the Land Act, No. 6 of 2012 stipulates that the National Land Commission may, on behalf of the National or County Governments, allocate public land through a prescribed format; **Further noting that** issuance of ownership documents will ease development in the area and encourage investors through construction in accordance with the Physical Planning Act; this House **urges** the County Government to move with speed and regularize and demarcate Kandutura plots (LR No. 556/154).

(Hon. Sammy Lekopien, Member of County Assembly Representing Sosian Ward)
