8* Motion- (Hon. Alice Ndegwa)

Mr. Speaker Sir, I beg to move the following motion;

Noting that, Laikipia County has reported many cases of early pregnancies in Primary Schools; **Aware that**, these cases have resulted in School drop outs for girls in these learning institutions. Noting that, these young girls have risked their lives by doing abortion and other indecent practices; **Further aware that**, this trend has really affected our standard of Education in our County; **Cognizant that**, there is need to come out openly to criticize this behavior; This honorable Assembly, **urges** the concerned County Executive Committee Members to take measures and curb these early pregnancies within the Primary Schools, and to ensure Doctors test the students every year so as to identify early pregnancies in our children in our institutions and stop further death through abortion.
