Mr. Speaker Sir, I beg to move the following motion;

Noting that Firefighting services and disaster management is a function of the County Government as stipulated in Part 2 of the Fourth Schedule of the Constitution of Kenya, 2010; **Aware that** informal settlements within the County are prone to fire outbreaks and the responses to the outbreaks are hampered due to inadequate preparedness and inaccessibility; this House **urges** the County Government to conduct training, public education and disaster management campaigns in wards in order to contribute to improved effectiveness in disaster management.
