SIGNED: .....

HON. STEPHEN NDIRITU, MCA

CHAIRPERSON, FINANCE AND COUNTY PLANNING COMMITTEE

DATE: .....19/11/2024.....

3.0 INTRODUCTION

Mr. Speaker Sir, The Constitution of Kenya 2010, the County Government Act and the Public Finance Management Act 2012 contemplate a Committee of the Assembly to oversight the budget making process which is a cycle of events on county planning that begins in 1st July and ends by 30th June of every financial year. The planning ensures that available limited resources are used optimally to address the needs of the citizens.

The Annual Development Plan is a key document that comprises a one-year extract as anchored under the five-year County Integrated Development plan (CIDP) and serves as a basis for development of the County's Annual Budget. It guides the budget making process for the next financial year and informs the County executive's decision in coming up with budget estimates.

Mr. Speaker sir, the Laikipia County Annual Development Plan Financial Year 2025/2026 was introduced in the House and duly tabled as per the provisions of Standing Order No. 191(5)(g) on the **4th September, 2023**. Subsequently, upon its tabling, it was committed to Finance and County Planning Committee for scrutiny and compilation of the public participation report. The Committee members held a meeting during which they proposed that the document be subjected to Public Participation via request of submission of memorandum from the members of the public.

The public participation exercise was held in accordance to Article 196 (1) (b) of the Constitution of Kenya and Standing Order No. 120(3).

Mr. Speaker, Article 196 1(b) and 201 of the constitution of Kenya 2010 and section 87(1)(a) and (b) of the County Government Act, 2012, requires the involvement of the public to bring about openness and accountability in financial matters. To comply with this requirement, the Committee resolved to seek the views of the members of the public for consideration in the ADP FY 2025/2026. In this regard, an advert was placed both in Nation Newspaper on 1st October, 2023 as **in Annexure 1** requiring the members of the public to submit their views through submission of memorandum. The memorandum were to be received on or before 15th October, 2024 either through hand delivery to the Office of the Clerk, or be sent through the Assembly's official Email or be sent through Assembly postal address.

4.0 PUBLIC PARTICIPATION (SUBMISSION OF MEMORANDUM)

RE: LACCSOF joint Memoranda for the Laikipia County 2025/2026 Annual Development Plan

Laikipia County Civil Society Forum (LACCSOF) is a membership forum of a network of Public Benefit Organizations (PBOs) that are based and working in Laikipia County with the objective of creating synergies for effective delivery of their respective mandates, promoting constitutionalism, creating awareness on civilian oversight, promoting public participation and contributing positively to the development of the county.

We also within ourselves have a network that includes community-based budget champions and grassroot social auditors across the county that advance social accountability agenda, share ideas and experiences as well as learn from each other in pursuit of each organization individual and shared objectives. This memorandum is merged with the Memoranda developed by the undersigned members from **Laikipia Social Auditors Network, CEDGG, Pathways Policy Institute, Mashinani Youth Network, United Disabled Persons of Laikipia, Institute for Care, Empowerment and Support, Drawing Dreams initiative, Sauti Yangu, Mt. Kenya Youth Hub**, and **Activista.**

As CSOs in Laikipia, together with our **Budget Champions** and **Social Auditors** we are committed to supporting the County Government of Laikipia to achieve its wider vision of making **Laikipia** the **Greatest County with the Best Quality of Life**.

Following the call by the **Clerk of The Laikipia County Assembly** for written submissions and memoranda towards **Laikipia County ADP 2025/2026**, LACCSOF

made efforts to compile this memorandum in line with the **Guidelines for preparation of Annual Development Plan FY 2025/2026 in the Economic Circular No. 1/2024** released by **National Treasury and Economic Planning** we hereby submit the following proposals:

That County Assembly of Laikipia should ensure that the proposed ADP is uploaded in the website and is accessible. Despite the public notice calling for the submission of written memoranda stating that the proposed ADP is in the website and can be downloaded, the document was not available on https://laikipiaassembly.go.ke/resource/adp-2025-2026 . This should also apply to all other Budget Documents, legislations and the Hansard in line with Article 35 of the Constitution of Kenya and Access to Information Act 2016.

In the County Budget Transparency Survey 2023 conducted by **Bajeti Hub** (Formerly **International Budget Partnerships – Kenya – IBP-Kenya**) the following were cited in the County CIDP and ADP documents:

1. The current CIDP and its accompanying documents has a section with information on how citizens' feedback was incorporated into the final CIDP document but no information on how those inputs informed the County's decisions.
2. The current CIDP and its accompanying documents (public participation reports) should provide information on public participation with details on the priorities submitted from the public, who was involved, and at what level (sub-county, ward, or village) it was conducted-
3. The county's targets are mostly in percentage form. This might be a more abstract way to set targets and might be difficult to assess the actual impact without the background information on what the actual numbers were and what they currently are so as to inform the percentages.
4. The Laikipia County Annual Development Plan does not present information on the upcoming year's targets for each local/ own source revenue breakdown.

5. The Laikipia County ADP does not provide information on budget allocation for the coming year broken down to recurrent and development by department/ sectors or ministries.
6. The Laikipia County ADP does not provide key details for the capital projects for the next budget year under the plan.
7. The Laikipia County Annual Development Plan and its accompanying documents (public participation reports) have a section with information on how public input was utilized and what decisions it informed.
8. The Laikipia County Government does not upload Budget documents on time and in most cases some documents are never uploaded.

In order to have comprehensive budget documents, we as LACCSOF strongly recommend that while approving the ADP, County Assembly of Laikipia should ensure the document complies with the above are findings.

We therefore through this memorandum request for a comprehensive public participation report for CIDP 2023/2027 and ADP 2024/2025 which also as a best practise in access to information should be uploaded to the Laikipia County Assembly Website.

Its also imperative that County Assembly of Laikipia furnishes us with comprehensive previous ADP report with achievements (key outputs and projects implementation status) challenges faced during implementation of the plan and lessons learnt. The report should also include financial performance including revenue performance, expenditure analysis, pending bills, details of grants, benefits and subsidies,

In line with the guidelines from National Treasury that County Government of Laikipia undertakes stakeholders' engagements to document their inputs and the County technical departments expected to have carried out public participation forums to identify possible projects for implementation in the FY2025/2026. A progress report for this should be made available.

In the formulation of the Laikipia County Annual Development Plan 2025/2026, LACCSOF suggests the following:

Health Sector:

1. That there be a budgetary allocation for Primary Health Care to specifically address PHC Public buy in sensitization campaigns and SHA mass registration, Utility Vehicle for MDT teams, PCN coordination, Occupational Therapist, coordinated referral services and ICT infrastructure and training on the same for all health care workers.
2. That there be a budget increment for Non-Communicable Diseases to enhance human resource capacity for NCD service provision, improving availability of specialized health services and purchase of NCD commodities.
3. That names of facilities to be upgraded be mentioned and include location, budget and timeframe for works.
4. That in equipping health facilities, CT scan be captured and priority be in NTRH and NCRH being the major hospitals in the county. This should also include other equipment's, specific facilities, specific equipment and budget allocation.
5. That Research include areas of research to be factored in.
6. That Operationalizing Youth Friendly Centres be factored in, location and budget be included.
7. That Menstrual Health Management though mentioned as a priority area does not have an allocated budget in the CIDP and that should be factored in.
8. That Ambulance services should be factored in. Specific areas and budget.
9. That Budget for MCH should increase from the current Kshs 2.2M in the PBB FY2024/25 to atleast Kshs 4M to cater for the rising demand for FP services in line with population growth.
10. That budget for HIV/AIDS budget should be increased.

11. That PWDs should be considered in assessment fees and there should be an allocation to cushion them against this charge.
12. That there should be an allocation towards incorporating mental wellness centres in the proposed centres of excellence.
13. That there should be an allocation to cater for CHPs capacity building and train them on basic counselling skills.
14. That while allocating funds for construction of a facility, the cost should include equipping and operating costs.
15. That Laikipia County formulates FIF regulations.
16. That all health facilities have water harvesting and storage.

Youth and Gender:

1. That there be allocation for youth and sports as a separate budget line different from The Governors Cup that factors in other games and sports disciplines beside football and also incorporates PWDs.
2. That the Youth Friendly Centre at NTRH be equipped and staffed.
3. That there be deliberate investment in equipping VTCs with modern tools and equipment's to make them attractive in offering competitive and marketable skills.
4. That the market stalls behind Nanyuki Social Hall be converted to a youth friendly space and also introduce an ICT hub within the facility.
5. That The Laikipia Youth Service Act be reviewed and a County Youth policy be developed to embrace the myriad of youth issues and homegrown practical solutions.
6. That when allocating funds for stadia upgrade, it should be specific, with a specific timeline and budget.
7. That 30% AGPO opportunities for Youth, PWDs and Women be made mandatory.
8. That Laikipia County formulates a Gender policy.
9. That The Youth Strategic Plan 2024-2028 be reviewed and countywide public participation for the youth be conducted.

Water, Environment and Climate Change.

1. That all projects allocated be specific, with a specific budget, location and timeline.
2. That Kiandege Water Project in Ngobit Ward (**Started in 2008 as a Self-Help Group project**) be allocated to ensure the citizens can access clean sufficient water.
3. That all public facilities to have water harvesting and storage facilities.
4. That all Asbestos roofing in any public facility be removed.
5. That Boreholes drilled should first be equipped before drilling others.
6. That The Laikipia Water Bill and Sand Harvesting Bills be reviewed.
7. That County Government of Laikipia procure tree seedlings from youths and also PWDs groups.

Persons With Disabilities:

1. That County Government of Laikipia assigns making of assistive devices for PWDs to VTCs like assembly of Clutches, prosthetics, walking frames, callipers and wheelchairs.
2. That all buildings including ablution blocks be PWD friendly.
3. That Laikipia County enacts a PWD Act and also formulates a PWD policy.
4. That Laikipia County designs an operational feeding programme for PWD street families.
5. That PWDs be exempted in the fair cost sharing formula for tanks.
6. That medical assessment for PWDs in hospitals be waived.
7. That PWDs be considered in sports allocation. The sports kitty must have PWD friendly games as well as indoor and board games.
8. That PWDs be involved in FLLoCCA.

County Administration and Public Service.

1. That there be a deliberate allocation for modern fire fighting engines for the 3 major towns – Nanyuki, Rumuruti and Nyahururu.

2. That all sports allocations be removed from Office of the Governor and be entrenched in the relevant Youths and Sports docket.
3. That CSO forum allocation be scrapped because there are no CSO fora organized.
4. That there be an allocation for sustained civic education and County Government make deliberate efforts to partner with CSOs and NGOs in the civic space.

Conclusion.

In the spirit of comprehensive and transparent budget documents, LACCSOF recommends the following.

1. That a comprehensive analysis of the performance of the previous ADP (2023/2024) be provided.
2. A public participation report of ADP 2024/2025 be provided and include in it feedback of what was taken up from public participation and what wasn't and justification.
3. That the County Technical department public participation be attached.
4. That there be a comprehensive breakdown of own source revenue and all grants be provided.
5. That the document be published and publicized within 7 days after submission to the county assembly.
6. That it includes indicators for disability inclusion and consideration.
7. That it includes gender and youth indicators.
8. That it includes all capital projects, locations and costs.
9. That baselines need to be indicated.
10. That targets need to be indicated.
11. All documentation and details of conditional grants be made available.
12. That details of Laikipia County Climate Change Fund and its regulations be made available.
13. That details of all counter-funding be made available.
