5th July, 2016.

The clerk
County Assembly of Laikipia

NOTICE OF MOTION- (HON. JOHN GITONGA)

Mr, Speaker Sir, I beg to give notice of the following motion;

AWARE that Article 43(1)(a) of the Constitution of Kenya 2010, stipulates that every person has the right to the highest attainable standard of health, which includes the right to healthcare services, including reproductive healthcare; **FURTHER aware that** the Kenya Health Policy 2014–2030 mainly focuses on ensuring equity, people centeredness and a participatory approach, efficiency, a multisectoral approach, and social accountability in the delivery of healthcare services. **Noting that** the use of community health workers has been identified as one strategy to address the growing shortage of health workers, particularly in low-income countries; **Further noting that** Community Health Workers can make a valuable contribution to community development and, more specifically, can improve access to and coverage of communities with basic health services; This house **urges** the County Government to formulate a policy that supports the existing community health workers by providing them with the necessary training, materials and equipment to enable them execute their duties diligently.

HON. JOHN GITONGA
MEMBER OF COUNTY ASSEMBLY REPRESENTING PEOPLE LIVING WITH DISABILITY.
