REPUBLIC OF KENYA

COUNTY ASSEMBLY OF LAIKIPIA

11th August, 2016.

The clerk
County Assembly of Laikipia

NOTICE OF MOTION- (HON. JOSEPH KABACI)

Mr. Speaker Sir, I beg to give notice of the following motion:

THAT Pursuant to Article 35 of the Constitution of Kenya 2010 as read together with Section 96 of the County Government Act, 2012 that provide for the right to access to information for every Kenyan Citizen; **Noting that** the mandate given by Section 91(g) of the County Government Act, 2012 to the County Government allows them to establish citizen fora at the county headquarters and its decentralized units; **Concerned that** there are no existing mechanisms to ensure that citizens in all the decentralized units are actively engaged in the development activities of their County Government thereby denying the public their rightful opportunity to participate in the same; **Appreciating that** the establishment of citizen fora at the decentralized units is a way of increasing public participation and at the same time receiving feedback on the performance of the County Government; This house therefore **urges** the County Government to implement the establishment of citizen fora at the county and decentralized units to ensure maximum citizen participation.

HON. JOSEPH KABACI.
MEMBER OF COUNTY ASSEMBLY REPRESENTING IGWAMITI WARD.
