**8* MOTION- WATER SUPPLY IN DOLDOL**

Honorable Speaker, I beg to move the following motion;

**Noting that** Article 43(1d) of the Constitution provides that every person has the right to clean and safe water in adequate quantities; **Further noting that** water is life; **Aware that** Doldol in Laikipia North has suffered water shortage for a very long time since it is a semi-arid region yet population in the said area keeps on increasing; **Further aware that** water shortage can result to waterborne diseases such as cholera, diarrhea and typhoid which are life threatening; **Cognizant of the fact that** women, livestock and children are forced to trek for many kilometers in search of the rare commodity; This Assembly strongly urges the County Government in liaison with other Government agencies like WARMA(Water Resources Management Authority) to supply residents of Doldol and its environs with a permanent supply of water like drilling boreholes and construction of a dam.

**(Hon. Eunice Moile, Nominated Member of the County Assembly)**
