Mr. Speaker Sir, I beg to move the following motion;

That, noting that section 134(1) & 2 of the Public Finance Act, 2012 as read together with section 36(1) of the Public Finance Management Act (County Government regulations 2015) and County Assembly of Laikipia Standing Order No. 214(1) provides that Subject to subsection (2), of the Public Finance Management Act, 2012, if the County Appropriation Bill for a financial year has not been assented to, or is not likely to be assented to by the beginning of that financial year, a county assembly may authorise the withdrawal of money from the County Revenue Fund; **Further noting that** section 134(2) of the Public Finance Management Act stipulates that Money withdrawn under subsection (1) may be used only for the purpose of meeting expenditure necessary to carry on the services of the county government during the financial year concerned until such time as the

Aware that the National Assembly has not passed the Division of Revenue Act, which is the key legislation that is used to determine the allocation to the County by the National Assembly and therefore the County Government has not been able to finalize on the Laikipia County Appropriation Bill, 2019, whose anchor is the budget and the budget cannot be concluded without the Division of Revenue Act being in place; this House **authorizes** that the County Government pursuant to section 134 of the Public Finance Management Act, section 36 of the Public Finance Management Act (County Government regulations 2015) and County Assembly of Laikipia Standing Order No. 214 to withdraw from the County Revenue Fund monies of an amount not exceeding 30% of the amount included in the estimates 2019/2020 Financial Year to be known as **vote on account** for purpose of meeting expenditure necessary to carry on the **essential recurrent services** of the Laikipia County Government during the financial year ending on the **30th June, 2020** until such a time as the Appropriations Act for the Financial year 2019-20 comes into operation.
