9* MOTION-ESTABLISHMENT OF A POLICY FRAMEWORK FOR TIMELY DISBURSEMENT OF BURSARIES TO TVET STUDENTS

Honorable Speaker, I beg to move the following the motion;

THAT, Aware that Technical and Vocational Education and Training (TVET) institutions play a critical role in equipping young people with practical skills that enhance employability, innovation, and economic self-reliance; **Further aware that** many students who complete their Kenya Certificate of Secondary Education (KCSE) exams are admitted to various TVET institutions soon after, but often face delays in reporting due to late disbursement of County bursaries; **Concerned that** the current bursary disbursement timelines in the County are not synchronized with the academic calendar of TVET institutions, leading to late admissions, interrupted learning, and in some cases, loss of opportunities for deserving students; **Appreciating that** timely provision of bursaries can enhance access to technical education, improve retention, and promote equitable participation in skills development across the County; This house **urges** the County Government to develop a Policy Framework for Timely Disbursement of Bursaries that will seek to;

1. Ensure that bursaries for students joining TVET institutions are disbursed early enough, preferably before or immediately after the release of KCSE results.
2. Provide for a clear application and vetting timeline, aligned with TVET reporting dates.
3. Establish a special bursary allocation or fast-track mechanism specifically targeting new TVET entrants to facilitate a smooth transition from secondary education to vocational training.

(Hon. Nicholas Mwaniki, Member of County Assembly Representing Tigithi Ward)
