Mr. Speaker Sir, I beg to move the following motion;

Noting that bee keeping is a major economic driver in Kenya that remains unexploited; **appreciating that** bee keeping is also a way and means of environmental conservation; **noting that** Laikipia County can tap into this and actually package county specific bee products; this house **urges** the County Government, in a bid to promoting bee farming, to provide bee hives to the county bee-keeping farmers.
