Noting that County public works and services, including water and sanitation services is a function of the County Government as stipulated in Constitution of Kenya, 2010; **Aware** of Nanyuki and Nyahururu Water and Sewerage Company Limited whose mandate is to provide water and sanitation services to the residents of Laikipia County; **Further aware** of the performance of marketing function as all important, because it is the only way through which the concern could generate revenue or income and bring in profits; this House **urges** the County Government to establish a robust marketing plan for the aforementioned water service agencies.
