Mr. Speaker Sir, I beg to move the following motion;

Noting that The Millennium Development Goals No. 8 is to ensure Environmental Sustainability, targeting Half, by 2015, the proportion of the population without sustainable access to safe drinking water and basic sanitation; **Further noting that,** On 28 July 2010, through Resolution 64/292, the United Nations General Assembly explicitly recognized the human right to water and sanitation and acknowledged that clean drinking water and sanitation are essential to the realisation of all human rights. **Appreciating that,** Article 43(1)b recognizes that every Kenyan has a right to accessible and adequate housing, and to reasonable standards of sanitation; **Further appreciating that**, part 2 of the Fourth Schedule of The Constitution of Kenya, 2010 stipulates that County public works and services, including water and sanitation services is a function of the County Government; **Alarmed** by the state of public toilets within the public facilities in our County, especially the public markets in Rumuruti and Doldol, just to mention but a few; This house **urges** the County Government to award the tender of cleaning services of all the public toilets within the Public Markets to Youth self-help groups registered with social services in the County in order to create employment for the youth and improve service delivery.
