8* MOTION- MOTION URGING THE COUNTY GOVERNMENT TO PROMOTE BEE KEEPING

Mr. Speaker Sir, I beg to move the following motion;

Aware that beekeeping in Kenya has progressively become a very important supplementary economic activity for most rural households particularly in arid and semi-arid areas where crop Agriculture is not sustainable; **Further Aware that** the promotion of beekeeping as an enterprise has experienced several challenges key among them, the destruction of natural habitats (forests), insufficient research on; beekeeping technologies, honeybee biology and botany, inadequate training for extension staff, farmers and equipment manufacturers; **Noting that** Laikipia County can tap into this and actually package county specific bee products; this House **urges** the County Government to establish a policy that will seek to:

a. Increase the production and supply of honey and other hive products to meet local demand and have surplus for export.
b. Promote value addition at all stages of beekeeping value chain and improve marketing of hive products for an internationally competitive market.

c. Ensure existence and safety of honeybees.
