Mr. Speaker Sir, I beg to move the following motion;

THAT Noting that, Agriculture, including crop and animal husbandry is a function of the County Government under part 2 of the Fourth schedule of the Kenya Constitution 2010; **Aware that,** Laikipia County is prone to frequent weather changes, with major droughts recurring after every 4-5 years; **Further aware that** this leads to famine where communities are forced to depend entirely on relief food; **Alarmed by the** effects which include low livestock off-take prices, encroachment into wetlands, closure of schools, tension between upstream and downstream users, massive livestock losses and migration to southern parts of the county and Mt. Kenya slopes in search for pastures; This House **urges** the County Government to come up with a comprehensive policy that will introduce and promote the use of more drought resilient crops in the County, especially in Marginal Mixed Farming Zones.
