8* Motion-(Hon. Alice Ndegwa)

Mr. Speaker Sir, I beg to move the following motion;

Aware that Part 2 of the Fourth Schedule of the Constitution of Kenya 2010 stipulates that County transport, including county roads is a function of the County government; **Further aware that** the streets in major towns do not have pavements and the available ones are in deplorable state hence pedestrians are prone to accidents; This house urges the County Government to undertake construction of street pavements and repair the existing ones in major towns within the County.
