1. Administration of Oath.
2. Communication from the Chair.
3. Messages.
4. Petitions.
5. Papers.
6. Notices of Motions.
7. Statements.

8* Motion-(Hon. Peter Kimondo)

Mr. Speaker Sir, I beg to move the following motion;

That aware that water is one of the most important substances on earth and all plants and animals must have water to survive; **Cognizant of the fact** that rain water is seasonal; **Further cognizant** that a lot of water is lost due to poor water harvesting techniques; **Noting** that Laikipia County depends heavily on Agriculture; **Concerned that** during the rainy season, farmers experience low farm productivity due to lack of adequate water to irrigate their lands causing farmers to incur huge losses; **Recognizing** the need to integrate water harvesting techniques so as to ensure that during the dry seasons farmers do not experience low crop productivity and other challenges that are experienced during the dry season; This House urges the County government to integrate water harvesting techniques and ensure that roads constructed and property developed for private or public purposes within the County have water reservoirs for water harvesting.

***Denotes Orders of the Day**
