8* Motion-(Hon. Joseph Kabaci)

Mr. Speaker Sir, I beg to move the following motion;

Noting that archives are the accumulated records of an individual or institution which merit preservation because of their possible subsequent value to the originating source for legal, administrative or personal reasons; **Further noting** that the generations to come would need information about the management, roles and the ceremonial objects used by the local governments; this house urges the county government to develop a store or library to preserve the regalia used by the former local councils in our county for purposes of future generations.

***Denotes Orders of the Day**
