Mr. Speaker Sir, I beg to move the following motion;

Noting that Part II of the Fourth Schedule of Constitution of Kenya 2010 provides for ambulance services and the promotion of primary healthcare; **Further noting** that according to the Laikipia County Integrated Development Plan(CIDP) 2013-2018, the average distance to health facilities is six kilometres and that there are about 10% of the households lying in the range of zero to one(0-1) kilometre from the nearest health facility while 40% lie within the range of 1.1 to 4.9 Km, the remaining 50% of households are found over five kilometres to the nearest health facility; **Appreciating that** free and affordable healthcare is the right to every citizen of this country and that ambulance services assist in the transfer of patients from a point of need to a medical facility for treatment; This house strongly **urges** the County Government to develop a policy that will provide free ambulance services to the residents of Laikipia County.
