8* Motion- (**Hon. Micheal Kinyua**)
Mr. Speaker Sir, I beg to move the following motion;

Noting that, Trade development and regulation is a function of the County Government as stipulated in the Constitution of Kenya 2010; **Aware that,** street hawking provides the population with cheap and convenient access to a whole range of goods and services, ranging from cooked food, fruits and other fresh produce to household wares, newspapers and even shoe repair and key-making services. **Concerned that** street hawking possess a threat to public health, causes obstruction to pedestrian and vehicle traffic, and causes Mushrooming of uncontrolled kiosks within the urban centres within the County; **Cognizant that,** street trade is an important economic activity that sustains a significant percentage of rural and urban dwellers; This house **urges** the County Government to formulate a hawkers policy and which shall include establishment of a hawkers complex within the major towns in the county.
